Note: When ordering a sofa, order up to three sets.

Available in: **S** Sling **SS** Sensation Sling

TAKE NOTICE

Our café chairs pair with café height tables, not dining height tables. Want to use the Allure café chairs with a dining table? Use our lift kit (KIT175) to raise the 37XX series base on all Natural Series and Breeze dining tables an additional 1.75" in height, changing the table height from 27.5" (dining height) to 29.25" (café height) in minutes!

QS This piece qualifies for Quick Ship. See pages 4 and 5 for details.

***Note:** When ordering multi-pack, quantity of one equals two or four pieces, as denoted in model #-x.

WIND RESISTANT UPGRADE

Need additional weight for windy conditions? Allure's wind kit set, consisting of a pair of zinc-plated steel bars (10370WS), adds an additional 5.66 lbs, and easily attaches to the chair's frame. Available in all frame finishes.

Cushions are secured to withstand wind and ensure long-lasting performance.

Note: A solid color fabric selection is required for the back of each unit, with the cushion being the same color or a coordinating pattern. See pages 141 through 144 for Outdura® and Sunbrella® options. Solid color fabrics that have a woven texture or color direction will run the opposite direction on the back frame slip cover of all Grace pieces. Upcharge applies if back fabric grade is higher than the cushion fabric grade. See price list for upgrade pricing.

TAKE NOTICE

If you would like your cushion widths to match when creating a modular configuration, pair the chat chair with the loveseat and the club chair with the sofa.

PRODUCT FEATURE

Grace is constructed with 4" heavy wall aluminum extrusion arms and 10" foam core inserts that are wrapped in moisture-resistant ticking. The back is engineered with a multimedia cushion for added comfort.

COLLECTION WATCH

Grace cushion has coordinating sling pieces on pages 26 and 27.

Available in: C Cushion

**Using end units with arms is recommended on all modular configurations due to exposed brackets on armless versions.*

GRACE

AIR | ALUMINUM

Available in: **SS** Sensation Sling

The Grace air collection features the comfort of a deep seating piece in a foam-free, cushionless construction. Luxurious Sensation sling fabric is used for the ultimate in low-maintenance comfort, while also featuring benefits such as exceptional shape retention and surface memory. The Grace air sling is a double layer design that is durable and comfortable. Grace air offers a versatile, stylish and low-maintenance solution for your outdoor seating needs, and coordinates with all Grace cushion and sling dining pieces.

HARBOR

SLING & PADDED | ALUMINUM

Harbor features gently curved arms and our double layer sling. Harbor is one of our "Designed with Weight" collections, making it ideal for windy conditions. Custom aluminum extrusions are used for the arms and base to provide a low-maintenance and corrosion-free material for those high-wear components, while powder-coated, solid-steel cross bars and internal side rails add weight.

PRODUCT FEATURE

Dockside is available in Duo-Tone. The base is available in a single frame finish or with contrasting inset center slats. When selecting the contrasting option, list the frame color first followed by the slat color. If a second color is not listed, the Dockside table will be painted in the single color. See page 146 for available frame finishes.

Homecrest Dockside tables come with a coordinated metal umbrella hole plug. Refer to the product specifications to confirm whether your table comes with or without a hole.

TAKE NOTICE

The standard Homecrest sling dining and swivel rocker chairs do not fit on the ends of the 32" x 62" tables.

 This piece qualifies for Quick Ship. See pages 4 and 5 for details.

PRODUCT FEATURE

Homecrest's Eden planks are manufactured from high quality recycled HDPE (High Density Polyethylene) to create long-lasting recycled plastic lumber. HDPE is a low-maintenance, environmentally-friendly product and features a textured surface that doesn't rot or splinter, doesn't require paint or stain and is resistant to termites, fungus, salt and oils. Eden is available in three colors, with color consistency throughout the cross section.

TABLE TOP DESIGN

← TOP CONSTRUCTION
Our Aquatex glass has a slight ripple pattern and is quite opaque. It is 3/16" thick and is tempered. Tempered glass is about four times stronger than regular glass, and offers enhanced safety.

PRODUCT FEATURE

Homecrest glass tables come with a clear vinyl umbrella hole plug and grommet. Refer to the product specifications to confirm whether your table comes with or without a hole.

Note: See page 146 for available frame finishes.

PRODUCT FEATURE

The dimensions between the legs on the end of the Maddox tables are shown on the right. Homecrest's Maddox planks are manufactured from high quality recycled HDPE (High Density Polyethylene) to create long-lasting recycled plastic lumber. HDPE is a low-maintenance, environmentally-friendly product and features a textured surface that doesn't rot or splinter, doesn't require paint or stain and is resistant to termites, fungus, salt and oils. Maddox is available in three colors, with color consistency throughout the cross section.

Note: See page 146 for available frame finishes.

SANDSTONE FIRE TABLES NATURAL SERIES

Inspired by the Southwestern quarries of the United States, Homecrest's natural-looking Sandstone fire tables provide a solid foundation for any outdoor gathering. These low-maintenance fire tables are full of beautiful, rough-hewn detail that will endure for years. Our Sandstone textured top and edge are sure to create an ideal atmosphere around the fire. Homecrest fire tables offer a powerful burner, up to 60,000 BTUs, and come standard with your choice of fire jewelry, as well as a secure key, natural gas orifice and black 3/4" aluminum fire burner riser.

SHADOW ROCK FIRE TABLES NATURAL SERIES

The distinct texture and natural colors of Homecrest's Shadow Rock fire tables complement any outdoor furniture set beautifully. Shadow Rock creates an impressive centerpiece with its elegant design. These handcrafted fire table tops feature subtle texture with a natural edge and are able to withstand the test of time and weather, season after season. Homecrest fire tables offer a powerful burner, up to 60,000 BTUs, and come standard with your choice of fire jewelry, as well as a secure key, natural gas orifice and black 3/4" aluminum fire burner riser.

AVAILABLE TOP COLORS

Note: Each top is individually handcrafted and will vary in color. Colors are representations, refer to an actual sample. For table options, including occasional, dining, café, balcony and bar options, check out pages 104-107.

PRODUCT FEATURE

Every Homecrest fire table features easy propane access, a removable key valve for flame control and a standard burner riser to keep the table surface cool. We also offer glass guards, which are recommended for use in windy conditions to contain the flame.

FIRE PITs | AURORA BASE & ACCESSORIES Features a 3" natural edge profile.

SLATE FIRE TABLES NATURAL SERIES

Rustic yet elegant, Homecrest's handcrafted Slate fire tables are a refreshing addition to any outdoor space. Featuring authentic patterns and subtle textures, these smooth surface fire tables are cast from natural slate and are available in a variety of colors. Our Slate fire tables are as beautiful as they are durable. Homecrest fire tables offer a powerful burner, up to 60,000 BTUs, and come standard with your choice of fire jewelry, as well as a secure key, natural gas orifice and black 3/4" aluminum fire burner riser.

AVAILABLE TOP COLORS

3" NATURAL EDGE PROFILE SHOWN IN DRIFT

Note: Each top is individually handcrafted and will vary in color. Colors are representations, refer to an actual sample. For table options, including occasional, dining, café, balcony and bar options, check out pages 112-115.

PRODUCT FEATURE

Every Homecrest fire table features easy propane access, a removable key valve for flame control and a standard burner riser to keep the table surface cool. We also offer glass guards, which are recommended for use in windy conditions to contain the flame.

FIRE PITS | AURORA BASE & ACCESSORIES Features a 3" natural edge profile.

Note: Each fire table comes standard with a 12" x 24" rectangular or 20" round 60,000 BTU stainless steel black powder-coated burner, external key valve, match-light ignition, natural gas orifice, 20 lbs of fire jewelry (select one or two colors) and a black 3/4" fire burner riser.

STONEGATE FIRE TABLES NATURAL SERIES

Stonegate fire tables feature the dramatic beauty of natural rock and a clean, straight-edge finish to create a versatile design. Combining traditional elements with modern finishes, Stonegate is made for style and durability. Personalized with Homecrest's range of accessories, these fire tables are trendy yet classic and perfect for both residential and commercial applications. Homecrest fire tables offer a powerful burner, up to 60,000 BTUs, and come standard with your choice of fire jewelry, as well as a secure key, natural gas orifice and black 3/4" aluminum fire burner riser.

AVAILABLE TOP COLORS

71 - PEBBLE 74 - BOULDER 72 - MIDNIGHT

3" STRAIGHT EDGE PROFILE SHOWN IN BOULDER

Note: Each top is individually handcrafted and will vary in color. Colors are representations, refer to an actual sample. For table options, including occasional, dining, café, balcony and bar options, check out pages 120-123.

PRODUCT FEATURE

Every Homecrest fire table features easy propane access, a removable key valve for flame control and a standard burner riser to keep the table surface cool. We also offer glass guards, which are recommended for use in windy conditions to contain the flame.

SENSATION FABRICS

For more than sixty years, Homecrest has built its reputation on quality, innovation and comfort. One landmark example of this was in our introduction of the Sensation sling in 2002. As pioneers in the elastomeric fabric category, we have more than 15 years of experience building Sensation sling furniture; and to this day, there is nothing that comes close to the maintenance-free comfort, memory, colorfastness and longevity of a Homecrest Sensation chair.

Sensation slings are constructed using an elastomeric yarn that is woven together with normal PVC sling fibers, creating a material that has amazing stretch characteristics for comfort, and outstanding memory for fabric longevity. If you have never sat in a Sensation sling chair, you really need to – the difference in comfort between a Sensation sling and a standard PVC sling is remarkable. The fabric stretches and moves according to the frame of the person sitting in it, while providing excellent support and comfort; and once the chair is vacated, the memory of the elastomeric fibers causes the fabric to return to its smooth, clean profile.

Sensation slings also have an incredible strength story to tell. All of Homecrest’s standard sling products go through 50,000 cycles of drop-testing, which in itself is remarkable; but Sensation slings go well over 90,000 cycles without damage. Our testing has also shown that Sensation fabrics promote the structural integrity of the metal frames used in chair construction, as the elastomeric characteristics absorb much of the shock that would normally be borne by the supporting frame.

As for maintenance, Sensation fabrics just can’t be beat. There’s no such thing as a ‘dry time’ after rain – if it needs to be used immediately after a storm, towel it off and it’s ready to go. Likewise, cleaning is a breeze, and its incredible colorfastness makes it look showroom-ready year-round.

At Homecrest, we use Sensation fabrics on deep seating and dining furniture alike. Whether on a single dining chair or a giant lounging sectional, all Sensation products feature double-layer slings and our unique “cushionless”, foam-free construction, bringing together the very best in comfort, style and maintenance-free outdoor living.

WELT FABRICS

Homecrest's industry-leading slings and padded slings are constructed using welting. You may select a welting color below to coordinate with your fabric or, if no welt fabric is selected, the welt fabric will default to match the frame finish. These options can also be used as slings and backing for padded slings.

DESIGN TIP

Want something sleek and monochromatic? Choose from these fabrics for your sling front, back and welt to create a self-welted look. To visualize this look, visit our Interactive Design Center at design.homecrest.com.

ULTRALEATHER® FABRICS

The Ultraleather outdoor collection is available on our cushion and padded sling seating options. For the padded leather seating option, we recommend selecting a coordinating solid sling welt and back for a seamless look (i.e. Polar leather and Glacier welt and back).

RECACRIL FABRICS

Recacril canvases are high-performance fabrics made from fade-resistant, solution-dyed acrylic specially designed for umbrella canopies. All of these marine-grade fabrics undergo rigorous quality-assurance testing, have an outer surface finish and are treated with a specific process which makes the fabric waterproof. These easy-to-clean fabrics are mold and mildew resistant.

SUNBRELLA® FABRICS

In addition to the Homecrest sling selections, the Sunbrella stock line is available for new orders and replacement cushions.

- Colors stay strong and vibrant in sun exposure and can be cleaned with bleach.
- Fabrics are soft, durable and create an inviting decorative option.
- Jacquards, stripes and solid-color textures can create a dramatic effect for your outdoor space.

SEATING OPTION & FABRIC SELECTION GUIDE

SS Sensation Sling | Sensation fabrics are also available on all collections that have a Sensation sling seating option. Our exclusive Sensation slings are available in a variety of colors and are easily replaceable. When selecting a Homecrest sling seating option (except for Allure), you will need to select a welt or binding color. Welting will match the frame finish unless an alternate is selected. Slings utilize the same fabric on the front and back for an attractive look. All double layer slings carry a five-year residential warranty.

S Sling | The Homecrest-pioneered sling is constructed of double layers for unmatched comfort and support. Our durable sling is available in a variety of outdoor fabrics and is easily replaceable. Minimal maintenance and comfortable design continues to make the Homecrest sling a #1 choice from coast to coast. When selecting a Homecrest sling seating option (except for Allure), you will need to select a welt or binding color. Welting will match the frame finish unless an alternate is selected. Slings utilize the same fabric on the front and back for an attractive look. All double layer slings carry a five-year residential warranty.

PS Padded Sling | Our padded sling seating option features a triple layer sling with slight padding for added comfort. This attractive chair, with distinctive silhouette stitching, gives you not only a comfortable sit, but also a stylish addition to your backyard or patio. The padded sling seating option expands your fabric options to include cushion or acrylic fabrics in addition to our slingable fabrics. Like the sling seating option, when selecting the padded sling seating option, you will need to select a welt or binding color. Welting will match the frame finish unless an alternate is selected. Padded slings will have the same front and same back if selecting a fabric that is available in both sling and padded sling. However, if you select a fabric that is available as a padded sling (i.e. an Outdura®, Sunbrella® or UltraLeather® fabric) and NOT as a sling, you will need to select a sling fabric for the back from the sling fabric options.

C Cushion | Our durable cushions provide additional comfort in a fast-paced world (the cushion seating option includes UltraCore™, DreamCore™, Luxe Outdoor, dining cushions, removable cushions and padded seats). Homecrest cushions are extremely comfortable and water-resistant.

W Welt | Welting or binding will match the frame finish unless an alternate is selected.

PRODUCT FEATURE

Each trash receptacle comes standard with a black, plastic lid that features a 20" opening, an anchor kit and a cable that secures the lid during windy conditions. The protective vinyl coating on the base ring prevents finish damage. A recycling lid with two openings for bottles/cans is available. The 92002 trash receptacle is available in any Homecrest frame finish. See page 146 for frame finish options.

LAZY SUSANS

Note: Lazy susans can be purposed as a fire burner cover. Be sure to specify the top or frame finish color when ordering the metal lazy susan and the color name when ordering the Stonegate lazy susans.

SOREN UMBRELLA CANTILEVER

This umbrella combines style with size, strength and durability to provide a lasting solution to your shade needs. The Soren cantilever umbrella is available in a 13’ octagon and a 10’ square with five base options. Its 360° rotation and tilt system allows for easy opening and closing, while providing complete shade flexibility. Heavy gauge extruded aluminum and stainless-steel parts on a marine-grade, corrosion-resistant aluminum frame ensure the Soren is ideal for both commercial and residential environments. Choose from among dozens of high-quality fabrics for a beautiful, low-maintenance shade solution!

- Full 360° rotation, combined with the tilt system, allows for countless tilt angles, providing hours of maximum shade regardless of the position of the sun
- Maintenance-free stainless steel hardware
- The crank lift is built for commercial use, and is designed for smooth and effortless operation in any environment
- The mast and all critical joints are extruded aluminum, ensuring unmatched strength and durability
- Engineered to withstand 35 MPH winds; included wind stabilizer kit increases this by 5 MPH
- Multiple mounting options are available, either permanent or semi-permanent, for installation on any surface

ARBOR UMBRELLA TELESCOPE

Arbor offers maximum shade and weather protection for commercial environments. Its 9 oz. marine-grade acrylic canopy is supported by reinforced extruded aluminum ribs that connect to a 4" mast. Every detail of this premium giant center-post umbrella ensures that the Arbor will withstand even the harshest conditions. The commercial-grade telescoping mechanism allows for effortless opening and closing of the umbrella without having to move any furniture underneath. Umbrellas comparable to Arbor in size and weight almost always require a permanent installation. Arbor is one of the only large shade structures in the industry with a semi-permanent and non-permanent mount available. This umbrella not only looks spectacular, but is a practical shade solution in a number of commercial applications.

- As the telescoping Arbor cranks down, the top portion of the mast rises, allowing you to completely close the umbrella without having to move any furniture placed underneath
- 4" diameter aluminum center pole with four internal strength channels, combined with the extruded aluminum ribs, provide exceptional support and strength
- For easier installation of an umbrella this large, Arbor mounts to a hinged spigot. This allows for the umbrella mast to be placed onto the spigot while the unit is on its side, prior to raising it to an upright position
- Reinforced grommets paired with an ultra-durable woven nylon wrap prevent the chance of fabric tearing from the frame
- Engineered to withstand 50-60 MPH sustained winds
- Maintenance-free stainless steel hardware

REPLACE. REVIVE. RE-LOVE.

REPLACEMENT SLINGS, CUSHIONS & PARTS

Whether you're looking for slings, cushions, pillows, paints or parts, with Homecrest Outdoor Living's exclusive replacement program, you can easily revitalize your existing Homecrest outdoor furniture. Replacements for our outdoor furniture are available in both current and discontinued products. Replacements for many of our classic outdoor furniture collections are still available today, including our vintage wire frame collections.

NEED HELP IDENTIFYING A PRODUCT?

Homecrest has made it easy to determine which collection your product is a part of. Here are three tools to help you with the identification of your product:

The **Catalog Archive**, found at homecrest.com/catalog-archive, is an invaluable tool for identifying replacements for resilient Homecrest outdoor furniture by allowing you to look through past catalogs. With the model number identified, use the Model Identification Guide to direct you to the replacement number needed.

The **Model Identification Guide**, found at homecrest.com/replacements, allows you to search (Ctrl-F) by model number, collection name, year of purchase and product type (i.e. glider, swivel rocker, etc). Once you have found your product, refer to the "Replacement #" column to find the replacement number you need to use when placing an order. **Note:** Replacement arm and floor glides are also listed.

Products manufactured after 1998 have a **manufacturing decal**, which is located on the product's metal frame. On the manufacturing decal, there is a set of digits. The first two digits indicate the week of the year the product was produced, the next set of digits represent the product's model number and the last two digits are the year the product was produced. With the model number identified, use the Model Identification Guide to direct you to the replacement number needed.

HOW TO IDENTIFY YOUR SLING OR PADDED SLING BASKET

The majority of replacement baskets are low back and high back sling chairs that Homecrest has produced over the years. These chairs utilize four different replacement slings. Here is a quick way to identify replacements needed for these four types of chairs.

- Determine if your chair has an external or internal cross bar and if your chair is a high back sling or a low back sling.

- Select your sling style. **Note:** A sling replacement tool is included with each order.

HOW TO DETERMINE THE FABRIC YOU NEED

Reference swatch labels or the fabric index in both the catalog and price list to identify fabrics that are available for your type of replacement. You can view an example of the fabric label on page 145.

CELEBRATING OVER 65 YEARS...

From early ottomans, to the original swivel rocker, to one of today's leading outdoor furniture manufacturers, the Homecrest brand has been an industry favorite since 1953. Homecrest combines a rich history of quality and classic design with today's demand for affordable luxury and versatile living. Over the years, Homecrest's focus has broadened to encompass the increasing demands of sophisticated, style-driven consumers seeking to complement their homes' interior designs and create a seamless flow between indoor and outdoor living spaces.

#25 CHAIR

KINGSTON

EDINA

CRICKET

HOLLY HILL

1953

Homecrest begins in the back warehouse of a furniture store making a Hassock ottoman.

1956

Homecrest patents a swivel rocker mechanism and introduces it on an indoor chair, which brings growth to the company.

1960

Enters the outdoor casual market with a wire frame café chair.

1962

Introduces well-known models like the 36 and 90 chairs.

1966

Homecrest's growth inspires a variety of both indoor and outdoor collection designs.

1971

Vinyl strap is a growing category, bringing new color and style. The growing wire frame collection Edina, in the popular Holly Hill fabric pattern, is widely retailed across the country.

1983

Homecrest introduces the double layer sling, which provides unsurpassed comfort. The double layer sling is unique to the industry and is still in use today.

1985

Homecrest retires the wire collection, yet continues to offer replacement cushions and slings today for most collections, including vintage wire.

1988

Homecrest adds the padded sling option to the growing list of collections.

1991

The introduction of the Holly Hill cushion collection allows Homecrest to offer a wider variety of low maintenance aluminum pieces to fit the needs of a growing market.

SINCE 1953

AFFINITY

2000

Homecrest moves into a new state-of-the-art manufacturing facility, which remains home today. All products continue to be proudly engineered and manufactured in the USA.

2001

Homecrest receives the Manufacturer Leadership Award for the fifth time.

PALISADE

2002

Homecrest takes the comfort of the double layer sling to the next level with the use of Sensation stretchable fabrics. Another industry first.

2004

The Holly Hill sling collection is named a Consumers Digest Best Buy.

2009

Homecrest introduces the industry's first swivel rocker balcony stool.

2011

The innovative Airo², a cushionless deep seating group, is introduced to the industry. Airo² offers the comfort of a cushion with the easy care of a sling.

BELLAIRE

2013

Taking inspiration from Homecrest's 1960s B99 chair, Homecrest launches the Bellaire collection.

2015

It was an exciting new product launch year at Homecrest with fashion-forward styles that continue to speak comfort. A few introductions include Grace deep seating, Grace sling and over 100 fire table combinations.

2016

The nostalgia of a long-time Homecrest customer favorite prompted Homecrest to introduce the Liberty Barrel Chair.

ELEMENTS AIR

2017

Homecrest introduces Elements Air and Grace Air. This newly expanded category brings the most revolutionary seating collections to hit the outdoor furniture market in years. The new Air design builds on the Airo² collection and the popular and proven double layer bag sling design Homecrest is well-known for.

2018

This year marks Homecrest's 65th anniversary, and they continue to design and manufacture products in Wadena, Minnesota. Homecrest introduces the five-year warranty on all double layer slings, three designed with weight sling collections.

INFINITI

2019

Homecrest introduces new HDPE and aluminum mixed material collections, Eden and Maddox.

2020

Homecrest introduces three mid-century modern collections in air and cushion categories.

Homecrest's Residential Limited Warranties apply to Homecrest products used for residential use only. Homecrest's Commercial Limited Warranties apply to Homecrest products used for commercial use only. All warranty periods are based on the original purchaser's date of purchase, and are not transferable. All warranties apply only to products shipped from the factory after January 1, 2008 (product codes ending in -08 or later). The purchaser must comply with the required warranty registration as explained. There is no warranty in existence if there is a failure to register. Product warranties must be registered at www.myhomecrest.com within 60 days of purchase for warranty to be activated. A copy of the original sales receipt and the product code must be submitted with all warranty claims (photos may also be required). Any repair of the Product undertaken without prior written authorization from Homecrest will void this warranty. Warranty for any refinished or replaced Product shall be only for the remainder of the warranty period applicable to the original product.

THESE LIMITED WARRANTIES ARE IN LIEU OF ALL OTHER EXPRESS OR IMPLIED WARRANTIES AND EXPRESS THE SOLE AND EXCLUSIVE LIABILITY OF HOMECREST EXCEPT AS EXPRESSLY STATED HEREIN, THERE ARE NO OTHER WARRANTIES OR GUARANTEES ORAL OR WRITTEN EXPRESS OR IMPLIED FROM ANY COURSE OF DEALING OR USAGE OF TRADE AND ALL SUCH IMPLIED WARRANTIES, INCLUDING ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR INTENDED PURPOSE ARE EXPRESSLY DISCLAIMED. THESE LIMITED WARRANTIES MAY NOT BE MODIFIED, EXTENDED OR ENLARGED BY ANY REPRESENTATIVE OF HOMECREST OR INTERMEDIATE SALES ASSOCIATE OR AGENT.

These warranties give you specific legal rights. You may also have other rights which may vary from state to state. Some states do not allow the exclusion or limitation of incidental or consequential damages so the above limitations or exclusions may not apply to you.

WHAT OUR WARRANTIES COVER

Aluminum and Steel Frames and HDPE surfaces (structural failures) | 15 years residential and 5 years commercial | Aluminum and steel frames are covered from structural failures for 15 years residential use and 5 years commercial usage. HDPE surfaces (table tops and benches) are covered from significant warpage and structural failures for 15 years residential use and 5 years commercial usage. If the frame or HDPE surface fails, or HDPE surface significantly warps, during the 15 years residential use and 5 years commercial usage under normal usage, and is not the result of abuse or an act of God, Homecrest will repair or replace the frame, or the HDPE component, at the manufacturer's discretion. If replacement is required, and your original frame or HDPE surface is no longer manufactured, we will replace it with a similar product. Homecrest will pay the warranty freight if within the first year in the Continental United States. Return of product will not be accepted without prior written approval.

Umbrella Frames (structural failures) | 3 years residential and commercial | The frame structure of Homecrest Soren, Arbor, and Market umbrellas are covered from structural failures for 3 years for both residential and commercial usage. Warranty includes manufacturer defects to the notch, runner, center pole, and skeleton structure. Warranty DOES NOT INCLUDE damages sustained to these umbrella frames while in any degree of tilt. Homecrest will repair, replace, or provide replacement parts at the manufacturer's discretion. If replacement is required, and your original product is no longer manufactured, we will replace it with a similar product. Homecrest will pay the warranty freight if within the first year in the Continental United States. Return of product will not be accepted without prior written approval. This warranty is not valid on umbrella frames purchased prior to September 1, 2020.

Painted Surfaces (peeling, flaking, or blistering) | 5 years residential and commercial | Painted frame surfaces are covered against peeling, flaking or blistering for a period of 5 years for both residential and commercial usage. If the painted surface peels, flakes, or blisters and the furniture has been maintained per the recommended care and maintenance instructions, Homecrest will repair or replace the frame at the manufacturer's discretion. If replacement is required, and your original product is no longer manufactured, we will replace with a similar product. Homecrest will pay the warranty freight if within the first year in the Continental United States. Return of product will not be accepted without prior written approval.

Double Layer Slings and Padded Slings | 5 years residential and 2 years commercial | The fabrics used on our double layer slings and padded slings are warranted against tearing, discoloration, or excessive fading for 5 years residential use and 2 years commercial usage when maintained per the recommended care and maintenance instructions. In the event a replacement is required, Homecrest will replace the double layer sling or padded sling with the same, or comparable, fabric based on manufacturer's discretion (installation labor not included). Homecrest will pay the warranty freight if within the first year in the Continental United States. Return of product will not be accepted without prior written approval. Double layer slings and padded slings 5 year residential and 2 year commercial warranties are valid on product purchased after March 1, 2017. Product purchased prior to March 1, 2017, but after January 1, 2008 carry a 2 year warranty from date of purchase.

Natural Series and Integrity Table Tops | 3 years residential and 1 year commercial | Natural Series and Integrity table tops are warranted against structural failures, finish cracks and blisters for 3 years in residential use and 1 year commercial usage. Failure to properly maintain the table top, or store it properly during inclement weather, will void the warranty. Minor flexing (concave and convex) of the Integrity table top surface will occur when exposed to extreme heating and cooling cycles, and is only warranted when the movement exceeds .25 inches per 1.5 feet of table width. If the table top (other than glass) fails, or the finish cracks or blisters during the warranty period, we will repair, refinish or replace the top. Homecrest will pay the warranty freight if within the first year in the Continental United States. Return of product will not be accepted without prior written approval.

Vinyl Straps | 3 years residential and 1 year commercial | Vinyl strapping is warranted from discoloration or breakage for 3 years residential use and 1 year commercial usage. In the unlikely event that the strap significantly discolors or breaks, Homecrest will supply replacement strap (installation labor not included). Glider bearing hangers are warranted against failure for 3 years residential use and 1 year commercial usage. In the unlikely event a bearing hanger fails, Homecrest will supply a replacement hanger (installation labor not included).

Cushions | 2 years residential and 1 year commercial | The fabrics used on our cushions are warranted against tearing, discoloration or excessive fading for 2 years residential use and 1 year commercial usage when maintained per the recommended care and maintenance instructions. In the event replacement is required, Homecrest will replace the cushion with the same (if available) or comparable fabric based on manufacturers discretion (installation labor not included). Homecrest will pay the warranty freight if within the first year in the Continental United States. Return of product will not be accepted without prior written approval.

Umbrella Canopies | 10 and 5 year residential and 7 and 2 year commercial | Umbrellas manufactured with Recacril fabric are warranted for 10 years residential use and 7 years commercial usage when maintained per the recommended care and maintenance instructions. All other upholstery grade fabrics will carry a warranty of 5 years residential use and 2 years commercial usage when maintained per the recommended care and maintenance instructions. In the event replacement is required, Homecrest will replace the canopy with the same (if available) or comparable fabric based on manufacturer's discretion (installation labor not included). Homecrest will pay the warranty freight if within the first year in the Continental United States. Return of product will not be accepted without prior written approval.

Fire Table Burners | 2 years residential and 1 year commercial | Crystal fire burners (24" round and 12" x 24") are warranted for a period of 2 years residential use and 1 year commercial usage. The warranty is limited to the replacement or repair of defective components or workmanship. Homecrest will pay the warranty freight if within the first year in the Continental United States. Return of product will not be accepted without prior written approval. If replacement is required, and your original product is no longer available, we will replace it with a similar product.

Miscellaneous Items | 1 year residential and commercial | The finish on coiled steel spring rocker mechanisms, plastic parts, flex plates, glides, swivel inserts, and umbrella bases is warranted for 1 year for both residential and commercial usage. When maintained per the recommended care and maintenance instructions. Homecrest will repair or replace the product at the manufacturer's discretion. Homecrest will pay the warranty freight if within the first year in the Continental United States. Return of product will not be accepted without prior written approval. If replacement is required, and your original product is no longer available, we will replace with a similar product.

Replacement Program | 1 year residential and commercial | All slings, cushions and parts, etc. purchased online through www.homecrest.com or through a retailer carry a 1 year warranty from date of purchase.

WHAT OUR WARRANTIES DO NOT COVER

These Limited Warranties are restricted to failures resulting only from normal usage and natural weathering and will not cover damage or failure of product attributable to:

- Acts of God, falling objects, fire, explosions, external forces or any similar physical damage.
- Failure caused by misuse or lack of appropriate care and maintenance of the products (including rust). Refer to the care and maintenance instructions.
- Damage caused by caustic chemicals and/or power washers.
- Products shipped from the previous factory prior to January 1, 2008.
- Glass and acrylic table tops.
- Vinyl furniture covers.
- Showroom samples and factory outlet purchases.
- Normal fading of fabrics, straps and painted surfaces.
- Bursting and cracking of tubing and extrusion caused by exposure to moisture and freezing temperatures.
- Return freight after one year.
- Salt water exposure – due to the demands of salt air, weekly cleaning and quarterly waxing of painted surfaces must be maintained to prevent finish blisters and corrosion. Failure to carefully follow our care and maintenance instructions will void the warranty.

CLAIMS PROCEDURE

In the event that a warranty claim file needs to be opened, contact your local Homecrest retailer to facilitate the process. If a local retailer is not available, you may also contact Homecrest via our website by going to www.myhomecrest.com. Warranty for any refinished or replaced product shall be only for the remainder of the warranty period applicable to the original product. During the warranty process, you may be required to either return the defective merchandise or provide proof of destruction. Working through your local retailer is highly recommended, when possible. Many of our retailers can fix and/or handle issues immediately, saving you both time and expense in the warranty process.
